Introduction

Are you stressed out when you are sick and you need to find a doctor?

Introduction

No worries.. This stops now!

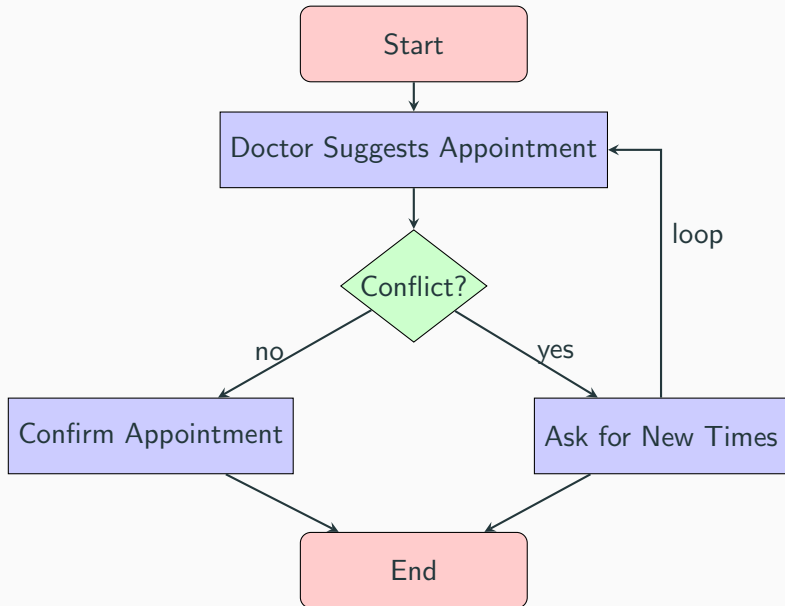

Solution

1. Tell AI that you are sick. Describe what do you feel.
2. AI will call different doctors:
 - 2.1 AI will describe what you are facing.
 - 2.2 AI will request for appointments.
 - 2.3 If no conflict, it books in your calendar.
3. Simple isn't?

Alternative Time Requests
